

End of term fun

This week in school we would have been having lots of fun to end the school year together. Below are some of the fun things we would have been doing:

- Having a party
- Going on a teddy bears picnic
- Playing party games such as musical statues, musical bumps
- Enjoying making party food e.g sandwiches, making and decorating cakes and biscuits
- Having a movie afternoon with popcorn and snacks

I am sure you would agree it would have been a very busy and fun week!

Maybe you could participate in some of these activities at home with your families?

Send in some pictures via Twitter and Dojo for us to see you enjoying yourselves and having fun.

There may also be a socially distant party in school, this week within your bubbles.

What Have You Enjoyed This Year?

This year has not been a normal school year by any means, however the time we did spend together was lots of fun!

Do you have a favourite memory of Reception?

What did you enjoy the most? Maybe it was the home learning, maybe it was coming back to school to see your friends or maybe it was something we did at school such as visiting the post office, the Giant visiting or just being in school with your friends?

Record a short video clip telling us about your best reception memories and what you are looking forward to in Year One.
