Wednesday 1st October

Dear Parents / Carers,

It has come to my attention that parking at morning drop off and afternoon pick up is a serious cause for concern.

I have received information that there has been a "near miss" this week, where a child was placed in direct danger, as a result of the road markings not being observed.

Parking / dropping off directly outside the school entrance is prohibited.

As I am sure you would agree, the children's safety is of paramount importance. **Please observe the road markings, that are there for all the children and school community's safety.**

Keeping children safe can only be achieved through the co-operation of all.

In addition to this, a polite reminder that parent/ carer vehicle access on site is not permitted. All school site access and parking is for staff and visitor access only.

Your full co-operation in this matter is appreciated.

Best Wishes

Mrs P Willis
Acting Head Teacher
