

melo,

Launching on the January 13th 2021

We are excited to announce the launch of Aneurin Bevan Health Board's new website for mental wellbeing

melo.cymru

While we can't take away life's problems, we can help you find better ways to cope with them.

Taking care of our own mental wellbeing and that of our loved ones has never been more important.

When we take the time to look after ourselves, we feel better. We are more able to cope with the difficulties that life throws at us and are more able to look after others.

The Aneurin Bevan University Health Board have developed this website to promote the mental well-being of people living and working in Gwent. We have gathered the best available free, self-help resources and put them in one place.

The resources will help you develop new skills that will support you when life is difficult and help you make the best of the good times. We hope you find what you are looking for here and perhaps discover new things.

Melo Cymru provides:

- Easy access to free online mental wellbeing information and resources,
- All information is available in a wide range of formats, including audio, video, leaflets, books and easy-read.
- Information for specific groups, eg young people, people with learning disabilities and people with memory problems
- Local opportunities to improve your mental wellbeing
- Courses to promote your mental wellbeing
- Connect 5 Training for frontline workers
- Sources of support if you are worried about yourself or someone else
- Where to get urgent help for someone

How you can help

Please help as many people as possible, to access Melo Cymru to support their mental wellbeing.

Feedback –

We would love to know [what you think of the website](#).

Social media –

Please follow us and share our content on social media tagging us as below:
