

End Of Term Writing

At this point in the year we would ask pupils to produce an independent piece of writing about themselves. On entry to reception they can only usually write 'I am ...' this is a great opportunity to show how far they have come from beginning to end.

Although this year has not worked out quite as we planned I thought this would be a great opportunity to add an independent, extended writing activity to their journals on Dojo.

1. Draw a picture of yourself with as much detail as possible.
2. Write all about yourself, try to include, name, age, where you live, eye/hair colour etc and anything else you can think of.

Remember to use:

- high frequency words
- 'Fred Talk' the words you are unsure of
- Capital letters
- Full stops
- Finger spaces

I look forward to reading your work!

Daily Reading

Ensure pupils are reading each day,

Literacy

Spellings

Below are green words, pupils should be able to blend these words independently using 'Fred Talk' and 'Fred Fingers'. Some are real and some are silly nonsense words.

- zip
- zap
- zim
- zam
- jim
- jop
- that
- thin
- cat
- let

I will send home the green spellings for all set one and two sounds also and upload them.

Sound of the week

Brainstorm/make a mind map of words beginning with 'z', write them down (let pupils sound them out if they can), draw a picture to go with them and discuss.

There is also now a write a sentence video, this has proven very useful on the Ruth Miskin YouTube channel. Have a look it is very good!

Continue practicing word time 5 words from last week also

Ditties

Don't forget the link to the online ditties is on Dojo. Ensure your child is Woking their way through them daily.
