

How many birthdays do we have in one year?

How old are you?

Can you write that number down?

As it's our last week in the Nursery we thought we would do Celebrations. We can celebrate birthdays that have been missed and those who will have birthdays during the Summer holidays. I hope you enjoy these last few activities.

I would also like to wish each and ever one of you THE VERY BEST ON YOUR NEW JOURNEY INTO RECEPTION CLASS.

**WE WILL MISS YOU GREATLY!**

If you are 3 how many years will it be before you are 10?

If you are 4 how many years before you are 10?

When you are 5 how many years will it be before you are 10?

## Nursery Numeracy

Number of the Week

# 7

What shape is this birthday cake?

What month is YOUR birthday in?  
What is the date of YOUR birthday?

What number is the month?

How old will you be on YOUR on YOUR next birthday card?

Can you write your birthday down?

What shape is the hat at the corner of this page?

Can you make a hat like this and decorate it?

Could you also make a cardboard 2d/3d birthday cake and add candles for the age that you are?
